

The Plainview News

Plainview, a neighborhood where we take pride in our community. Every resident plays a vital role in making our community a great place to live.

MESSAGE FROM PRESIDENT BILL DIERUF

Now that one of the hottest & driest spells in history is finally over, Plainview can take comfort in the fact that we are planting new grass seed in the islands as well as planting new trees. This spell has been very hard on all of us, but we are working hard to maintain the premier look and feel Plainview is known for.

The holidays are just around the corner and there are a few things we should keep in mind as they approach. Colder temperatures usually result in less people going outside of their homes other than when necessary. Let's take a little extra time to check on our neighbors, especially those who may be in need of our help. There will be a lot of families traveling this holiday season. If you are one of these travelers, please ask your neighbors and the Jeffersontown Police Department to check on your home. A combined effort by our neighbors and the police can go a long way in watching over our neighborhood.

I also wanted to share a few helpful household tips as the colder temperatures approach. Make sure to disconnect your garden hoses from the outdoor faucets. Open cabinet doors where water pipes are located on colder nights to allow warm air to reach them.

Lastly, to avoid freezing pipes in basements, heating these areas adequately can help avoid costly repairs to busted pipes.

From my family to yours, may everyone have a safe and happy holiday season.

***HAPPY THANKSGIVING &
A VERY MERRY CHRISTMAS***

THANK YOU

The Plainview Residents' Association would like to thank, **JON ACKERSON** our Metro Councilman for District 18 for his support in contributing to the cost of cleanup after the Hurricane and Ice Storm. We greatly appreciate his help.

CHANGE OF DATE

Please note that the Annual Plainview Residents' Association meeting has been changed to **NOVEMBER 22, 2010**. The meeting will be held in the Tway House at the Plainview Swim and Tennis Center. The meeting starts at 6:00 P.M.

GARBAGE PICKUP

If you have articles of a large size for garbage pickup, please call Marcia at Jeffersontown City Hall and she will assist you in arranging for a special pickup. This will avoid unsightly items sitting at the curb for long periods of time and keep the neighborhood looking clean and attractive.

BOARD OF DIRECTORS ANNUAL MEETING NOVEMBER 22, 2010
